Google Classroom: Joining your new class

Dear Parents,

At Broughton Primary School, we use Google Classroom as a platform to set homework. Every child has an email address and password, which is stuck into the inside page of their reading records. For the new academic year, we require you to sign up your child to their new Google Classroom 'class' in order to access their homework. To do this, you require a class code. The class codes are as follows.

Otters: **Jgbxtkp**

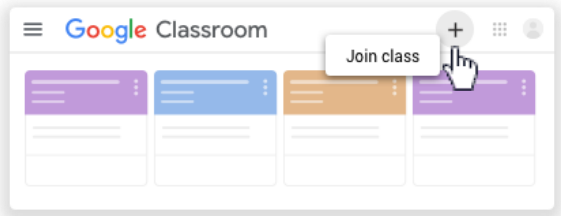

Foxes: **2ul3eqc**

Badgers: **c4hbvi7**

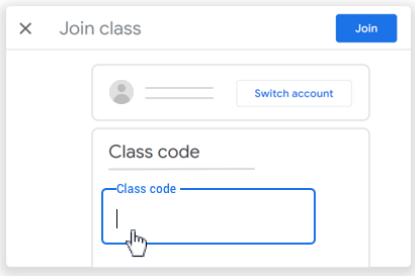

Please only sign your child up for their class.

Below are a list of instructions on how to join the class using a class code.

1. Go to classroom.google.com.
2. Make sure to sign in with the correct account. If you're already signed in and need to switch accounts, in the top-right corner, click your profile picture select or add your account.
3. At the top, click Join class .

4. Enter the class code from your teacher and click Join.

Note: Class codes are 6-7 characters, and use letters and numbers. Codes can't have spaces or special symbols.

Please sign your child up to their new class by **Friday 24th September,** when homework will be set via Google Classroom.

Kind regards,

Miss Morris, Miss Lee and Miss Ayers
