

Class: Badgers / Yr5/6
Autumn term / 2026

Broughton Bitesize

What your children are learning this term

English

Goodnight Stories for Rebel Girls – This writing journey will see us writing our own non-chronological reports inspire by various inspirational figures we read about in our text driver.
The Odyssey – During this writing journey, we will craft our own adventure narratives, imitating the style of the author.

Science

Fossils, Geological Time and Classification – During this unit, we will explain how life on Earth has changed over time and use fossils to make predictions about organisms. We will also evaluate how fossil records can be used as evidence of evolution and learn about the five kingdoms of classification that are used to classify living things.

Maths

Place Value – We will consolidate our knowledge of place value in 5 and 6-digit numbers including decimal places and money, rounding numbers and solving problems involving the four operations.

Geography

Coasts and Erosion – During this geography topic, we will be considering what happens where the land meets the sea. This will include us looking at changes to the coastline, establishing the key topographical features of the UK and how these geographical aspects have changed over time. We will also explore how we can protect the land coasts.

PSHE (SCARF)

We will be learning about giving and taking in relationships and the importance of communication. We will also explore the qualities of a good friend and devise our own cake recipes based on these, considering individuals' emotional needs and the importance of being assertive with others.

RE

We will explore what peace means and reflect on how it can be experienced in our own lives. We will also learn about how Muslims find peace through their faith, including prayer, the Qur'an and Ramadan.

PE

Indoor – Dance (Real PE - Year 5/6 Health and Fitness)
Outdoor – Real PE (Personal)

Music

Film Music – We will discuss the stylistic features of music using musical vocabulary and relate it to the other aspects of the Arts. We will then work as a group to perform a piece of music.

DT

In our 'Mechanical Systems' unit, we will be making automata toys by applying woodworking skills by constructing an automaton with moving parts and mechanisms.

Computing

Online Safety - This unit will identify possible dangers online and how to stay safe as well as evaluate the pros and cons of communication. We will also learn how to use an online community safely.

MFL – French

New Language Content – Myself
Revision – Greetings (family and home), days of the week, dates and colours.
