

Class: Badgers / Yr5/6
Summer Term 2026

Broughton Bitesize

What your children are learning this term.

Science

During this topic, the children will explore flows around a circuit and how the power supply pushes current through a circuit. They will also investigate how voltage affects the flow of electricity as well as predict and test how different factors affect resistance.

UN article 28: Right to education

History

This half term, we will be learning about World War 2 and exploring who we think is to blame for the outbreak of war.

UN article 28: Right to education

MFL – French

New Language Content – School Life

UN article 29: Goals of education

PE

Indoor – Gym
Outdoor – Rounders

UN article 28: Right to education

English

The Errand – We will be writing the next set of directions for the errand boy for his journey to the warlock at the mansion on the hill.

The Lion and the Unicorn – This writing journey will see us writing our own setting descriptions and crafting narratives for the next part of the book.

UN article 28: Right to education

Computing

We will explore how codes can be used for several different reasons and have a go at decoding messages. We will also look at the importance of a secure password and look at historical figures and their contribution towards computer science.

UN article 29: Goals of education

RE

This Christianity topic explores how humans have a special responsibility to care for God's creation. It will encourage children to reflect on the impact of their actions on the environment and understand stewardship as both a spiritual and practical duty. They will be invited to think about ways to protect and nurture the natural world around them.

UN article 28: Right to education

Maths

We will multiply proper fractions and mixed numbers by whole numbers and solve problems which require knowing percentage and decimal equivalent. We will also revise the four operations and solve problems involving addition, subtraction, multiplication and division.

UN article 28: Right to education

Music

We will develop greater accuracy in pitch and control. We will identify pitches within an octave when singing and use our knowledge of pitch to develop confidence when singing in parts.

UN article 28: Right to education

DT

We will be identifying simple circuit components with a basic explanation of their function. We will also remove and replace different parts of a Doodler, as part of a team. We will then create a functional Doodler that creates scribbles on paper with or without a switch.

UN article 28: Right to education

PSHE (SCARF)

We will accept that responsible and respectful behaviour is necessary when interacting with others online and face-to-face.

UN article 28: Right to education
