

Class: Badgers / Yr5/6
Spring Term 2026

Broughton Bitesize

What your children are learning this term.

Science

We will define pitch and volume and understand how sound is produced as well as investigating how pitch can be changed. We will also explore how vibration causes sound and investigate how the type of material affects how well it blocks sound.

UN article 28: Right to education

Geography

This half term, we will understand the economic activity linked to chocolate and how the UK is connected to the Ivory Coast through trade.

UN article 28: Right to education

MFL – French

New Language Content – Hungry Caterpillar

UN article 29: Goals of education

PE

Indoor – Dance
Outdoor – Real PE

UN article 28: Right to education

English

Rooftoppers – We will be writing a persuasive letter to Martin Eliot in the voice of Charles Maxim and craft a diary entry recounting Sophie's journey.
The Lizzie and Belle Mysteries – Our main outcome for this writing journey will be a biography of Ignatius Sancho. We will also write a persuasive poster and incorporate parenthesis when writing a letter of urgency.

UN article 28: Right to education

Computing

We will evaluate code, understanding what it does and adapt existing to code for a specific purpose. We will also design appropriate housing for our product using CAD software, including any input or output devices needed to make it work.

UN article 29: Goals of education

RE

In our upcoming RE lessons, the children will be learning about *Dukkha*, an important Buddhist teaching that explores the idea that life involves challenges and difficulties. We will look at how Buddhists understand this concept as part of the Four Noble Truths, and how they believe it can be overcome by following the Eightfold Path.

UN article 28: Right to education

Maths

We will multiply proper fractions and mixed numbers by whole numbers and solve problems which require knowing percentage and decimal equivalent. We will also revise the four operations and solve problems involving addition, subtraction, multiplication and division.

UN article 28: Right to education

Music

We will perform a looped body percussion rhythm and will use loops to create music and choose a suitable fragment of music before performing a structured piece with two different loops.

UN article 28: Right to education

Art

We will design and print our own tiles with a focus around African wildlife, inspired by John Muafangejo.

UN article 28: Right to education

PSHE (Scarf)

We will explore the word 'bias' and how this proves there can be two sides to every story. We will also learn about social media usage including the legal age for having a social media account (and reasons behind these).

UN article 28: Right to education
