

Class: Badgers / Yr5/6
Spring Term 2 2025

Broughton Bitesize

What your children are learning this term.

Computing

Over the half term, we will be looking at what a search engine is and how to use them successfully. This will help us to understand that not everything online is true. We will also learn how to search effectively and give credit for online sources.

UN article 29: Goals of education

Art/DT

During our textiles unit, we will be designing our own waistcoats based on a theme. We will use a template to mark the outline before cutting and pinning them. After this, we will assemble and decorate our masterpieces.

UN article 28: Right to education

RE

In this unit, we will look at rules and explore the consequences of life without rules. We will then discuss times where Jesus acted controversially and the reasons for him breaking the laws.

Science

Over the half term, light and how it behaves will be the focus of our learning. We will investigate how the distance between an object and a screen affects the size of its shadow. We will also predict what will happen when light is shone through water and explore how the eye adapts to different light conditions.

Maths

Our maths learning will begin with a geometry focus as we identify 3D shapes from 2D representations. We will also be working with fractions, multiplying simple pairs of proper fractions and writing our answers in the simplest form. As well as this, we will revise the four operations, using formal written methods to solve calculations.
