Welcome back to school and to Foxes! I hope you had a wonderful holiday and you are now ready for Autumn Term.

This term we have got lots of exciting things happening including: Windows into other worlds, our environment around us, maps, bugs, and a Broughton local study. We will be starting off the year with figuring out where we are, asking questions about the world around us and learning to express our opinions and respecting other people. Focusing on human geography and science, we will explore some crucial topics such as deforestation. We will be working towards a class display/ museum about nature, the local and global environment.

In Art, we will be looking at the style of collage and the artist from the book we are looking at in English, Jeannie Baker. We will be looking at how we can portray a message and tell a story with two unrelated images. In music, we are composing descriptive music, understanding rhythmic patterns, exploring scales and sound colours.

P.E will be on Mondays and Wednesdays as usual. Please ensure that your children have their P.E. kit on the days required.

Homework will be similar to before, and spellings, reading and times tables are expected each week. Spelling will be given on a Monday and tested on a Friday. The children are to take responsibility in making sure that they have their spelling books, reading records, and reading books. I will check their records and books weekly. The children have times-table booklets which they will have dedicated time to work on in class but are also encouraged to work on it at home. I will provide "Take me home" work which will be in addition to what we have been learning in class and the children will be encouraged to take it. There will also be a home learning wall for any work completed at home that is relevant to their learning and I will always display and reward their effort. Please support your children in this.

There will be more information about this term's topic and learning on the school website. Please do not hesitate to see me or drop me an e-mail if you have any questions.

Kindest regards,

Mr Cawood.
