Dear Parents,

Welcome to the 2021/20222 school year in Foxes class. I hope everybody had a lovely summer break with lots of rest and relaxation. It is sure to be a busy, but brilliant year in Foxes class, which I am very much looking forward too!

The topic for the first half of the term is 'UK vs. France', which will have a Geography focus. We will be looking at the location of the United Kingdom in relation to the rest of the world, before focussing on the similarities and differences between Paris and London. We will explore famous French literature and artists, as well as interviewing people to find out what it is like to live in the French capital.

PE lessons will be on Monday and Wednesday afternoon so please ensure that your child is wearing the correct PE kit on these days. We are very lucky to have Tommy Wright teaching PE this year, with this term focussing on football and dance. Please ensure children also have wellies in their lockers for Outdoor Learning.

Homework will continue from the second week of term and will consist of 10 spellings, which the children will then be tested on every Friday.Please remember to check Google Classroom for these spellings. They will also have tasks to complete in Mathletics.

We are keen that all children read at home at least 3 times a week and this will be monitored by Mrs Baker and myself. If your child reads at home, please record this in the yellow reading records as these will be checked regularly.

Finally, if you have any questions or concerns please do catch me after school or arrange an appointment with the office. I hope the children will enjoy our first term together and I hope you will enjoy hearing about what we have been getting up to in class.

Kind regards,

Miss Lee
