

Class: Foxes / Yr3-4
Autumn Term 2025

Broughton bitesize

What your children are learning this term.

Computing

Children will work together to create a collaborative document using Microsoft forms and Excel.

UN article 28: Right to education

MFL – French

Mrs Bottle will be teaching us how to speak about our pets as well as talking about Christmas in French.

UN article 28: Right to education

RE

Our key concept will be 'Holy Mary' The children will be exploring the meaning of "holy" through stories, art, and discussion about Mary and Christian beliefs, and reflecting on what holiness means in their own lives, people, and special objects.

UN article 28: Right to education

English

Our first text is 'An Interview with a Tiger'. The children will be creating their own animal interviews, capturing the voices of them. We will then focus on poems from 'It starts with a seed', exploring poetic techniques to write our own nature poetry.

UN article 28: Right to education

Science

In Science this term, children will learn about animal skeletons. We will explore the purposes of skeletons in animals, using investigations to help our understanding of these concepts and develop of scientific skills.

UN article 28: Right to education

Maths

This term focusses on developing our understanding of multiplication and division and using known facts to help solve problems. We will then explore fractions, using pictorial models to help recognise fractions and order and compare fractions with the same denominator.

UN article 28: Right to education

Geography

Our Geography topic this term is 'Rivers'. We will learn about the different features of a river and compare rivers from around the world. We will also be having a workshop from the Rivers Trust on 2nd December.

UN article 28: Right to education

Music

We will be taking our music learning outside this term, finding what noises we can hear outside and making musical instruments from natural materials.

UN article 28: Right to education

Art/DT

We will transfer our knowledge of electrical circuits from last term's Science to help us create torches.

UN article 28: Right to education

PE

Harry will be teaching the children Gymnastics. Mr Webbe will focus on developing children's jumping and landing.

UN article 28: Right to education

PSHE (Scarf)

Children will continue the topic 'Being our best'.

UN article 28: Right to education
