Autumn Topic overview

Foxes Autumn Term

Theme: A local study, getting to know the surrounding area.

Big question: What features does Broughton have that make it a wonderful place to visit?

Sub questions:

- What are the natural and human features?
- What impact does human development have?
- Why do people come to Broughton?

Topic: Broughton

Geography

OS map reading and orienteering. Identifying features in the surrounding area and comparing them to more developed areas.

History

Settlements in the local area and local development.

Art

Collage: Jeannie Baker and other artists.

RE

Rituals and celebrations from around the world.

English

Studying a book without words, depicting a changing world from a young boy's window. Working towards a setting description of their own windows.

Persuasive leaflet informing tourists of things to do in Broughton.

After looking at maps in Geography, we will be looking at journeys in English and mapping a bird's flight path.

Maths

Place value and identify the value of digits in numbers up to 1000. Addition and subtraction of 10s, 100s, and 1000s.
Rounding and estimating, using the inverse to check answers.
Measurement and counting money. Working in km, m, and cm, knowing half of each, and finding perimeters.

Science

Categorising animals based on characteristics, including humans. Feeding relationships and the environment.

DT

Designing your own pizza. Food tech and cooking.

French

Greetings and numbers, family, and toys.

Outdoor learning

Visiting the local area and conducting studies.

Computing

Online Safety. Different beliefs, opinions, and comments online.
