Year 3/4 Maths Long Term Plan

We are using the Hampshire unit plans to help inform our planning.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Learning Journey 1	**Learning Journey 1**	**Learning Journey 1**	**Learning Journey 1**	**Learning Journey 1**	**Learning Journey 1**
Number and Place Value and Addition (Unit 3.1 and 4.1) Roughly 15 sessions.	Fractions and Geometry (Unit 3.4 and 4.4) Roughly 20 lessons	Fractions and Geometry (Angle) (Unit 3.6 and 4.6) Roughly 15 lessons	Multiplication and division and fractions (Unit 3.9 and 4.9) Roughly 20 lessons	Multiplication and division, tables and related facts (Unit 3.11 and 4.11) Roughly 15 lessons	Fractions, Multiplication and division (Unit 3.14 and 4.14) Roughly 15 lessons
Learning Journey 2	**Learning Journey 2**	**Learning Journey 2**	**Learning Journey 2**	**Learning Journey 2**	**Learning Journey 2**
Measurement, addition and subtraction- money and length (Unit 3.2 and 4.2) Roughly 10 lessons	Number and place value, Measurement (Unit 3.5 and 4.5) Roughly 15 lessons	Addition and subtraction (Unit 3.7 and 4.7) Roughly 15 lessons	Addition and subtraction, statistics, measurement (volume, capacity, mass and scales (Unit 3.10 and 4.10) Roughly 15 lessons	Geometry 2D and 3D (Unit 3.12 and 4.12) Roughly 10 lessons	Measurement- time and money (Unit 3.15 and 4.15) Roughly 10 lessons
Learning Journey 3	**Learning Journey 3**	**Learning Journey 3**	**Learning Journey 3**	**Learning Journey 3**	**Learning Journey 3**
Multiplication and division (Unit 3.3 and 4.3) Roughly 10 lessons		Measurement (time) (Unit 3.8 and 4.8) Roughly 5 lessons		Addition and subtraction (Year 4 to be confident in formal methods) Statistics (Unit 3.13 and 4.13) Roughly 10 lessons	Measurement- length (Unit 3.16 and 4.16) Roughly 10
