

Class: Otter / Yr1 & 2
Summer term / 2025

# Broughton Bitesize

What your children are learning this term.

## Computing

We will be learning how to:
-explore a new application independently.
-explain what the blocks on ScratchJr do and use them for a purpose.
-recognise a loop in coding and why it is useful.

**UN article 16: Protection of privacy**

## PE

In PE we will be preparing for sports day. We will be practising our running, throwing, jumping and skipping skills.

**UN article 24: Health**

## RE

Within the topic ‘Remembering –Holi’, we will read the story of Vishnu and understand what Holi is.

**UN article 13: Sharing thoughts freely**

## English

In our next learning journey, we’ll be diving into the imaginative world of *Lizzy and the Cloud* by The Fan Brothers. This beautifully illustrated story will inspire our discussions around creativity, responsibility, and storytelling. Building on the themes from the book, the children will be using their ideas to write their very own guidebooks—just like someone might write a manual for caring for a pet cloud!

**UN article 28: Right to education**

## Geography

We will be comparing our school and local area with a location in Asia. We will look closely at similarities and differences in climate, buildings, transport, and daily life. Through maps, pictures, and stories, we shall explore what it might be like to live and learn in another part of the world.

**UN article 28: Right to education**

## Maths

We will be focusing on deepening the children’s understanding by revisiting and strengthening their prior learning, with a particular emphasis on developing their reasoning skills. Year 1 will continue to build confidence and fluency with number bonds, while Year 2 will work on becoming more proficient with their 2, 5, and 10 times tables.

**UN article 28: Right to education**

## Science

We will be continuing our learning about habitats, this time focusing more on plants. We’ll explore the different types of plants that grow in various habitats and learn how they are suited to their environment. The children will investigate what plants need to survive and how they play an important role in supporting other living things within a habitat.

**UN article 28: Right to education**

## Music

In our unit ‘Superheroes’ we will learn to identify and perform changes in tempo and prepare and perform a musical piece.

**UN article 29: Aims of education**

## Art

Our unit this half term is ‘Textiles’. We will be designing, making, sewing and evaluating our very own puppets.

**UN article 29: Aims of education**

## PSHE (Scarf)

This half term we will be learning about how we are growing and changing.

**UN article 3: Best interests of the child**
