Broughton Primary School

Newsletter

Dear Parents,

Thank you to everyone who replied to our survey about communication. It was very useful to have your feedback on this matter. The process is that I will look at this with staff and Governors and we will make any changes that are felt to be beneficial.

I thought that it might be helpful to clarify the names of the documents that you receive at the end of the term and the purpose that they serve.
The **teachers letter** is intended to let you know the key information that they feel is important for the upcoming term. This may be days for P.E, suggestions for reading etc.
The **'Bitesize'** or **topic web** provides a brief overview of all the curriculum subjects and what will be covered in them. The intention here is to keep you informed of the topics so that you can ask questions or follow up , if you so wish.
The **Round Ups** are summaries of some of the highlights from your child's class activities over the half-term. This is to help you to feel connected with the teaching and learning that your child has been engaging with. You could use this to ask them questions if you felt this appropriate.

This week, we were absolutely delighted to be able to join our Federation school, West Tytherley, for two days of outdoor learning. All the children had an amazing time spending the day in the outdoors and working together on a variety of fun and exciting activities. Thank you for supporting this and transporting your children over The Downs this week.

We have had a really busy half-term and I anticipate that the second half will be no different. We keep the learning timetables right up to the end of the term, so pacing ourselves is very important. I hope that you will enjoy a restful half-term and the warm weather will facilitate lots of time in the outdoors.
Wishing you a restful holiday.

Kind regards,

Lucy Macey

Otters, Foxes and Badgers
Parents' Evenings
Monday 29th June and
Tuesday 30th June

Sensory Garden and Wildlife Garden

Over the past copuple of weeks our Eco Committee and Gardening Club have been working hard to improve our school grounds.

Many perennials have been planted in the front flowerbed and Sensory Garden. Thanks to all of your donations, we have been able to plant potatoes, strawberries, lettuce, tomatoes and spring onions in our grow house.

The Sensory Garden has really come to life and it has been lovely to see all the children using it and supporting our younger children to get involved as well. Gardening Club have been hard at work in the wildlife garden, clearing areas, planting wildflowers and making shelters out of resources we already had on our school site.

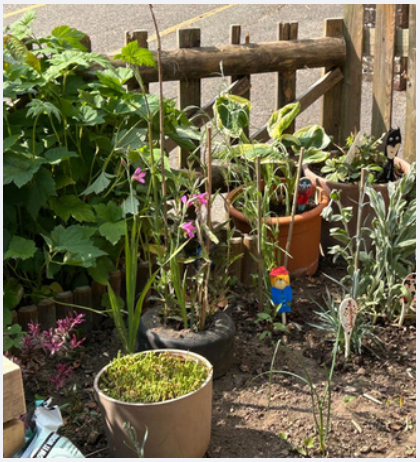

Cluster Events

Tri Golf

The Year 2 Tri Golf competition was a fantastic event, and we were very lucky to host it at Broughton. The children represented the school brilliantly, showing great teamwork, determination, and encouragement towards one another throughout the event. They all performed so well and made us incredibly proud with their positive attitude and excellent sportsmanship. Thank you to the year 6s who came to help run this event too - you all did an excellent job!

Football

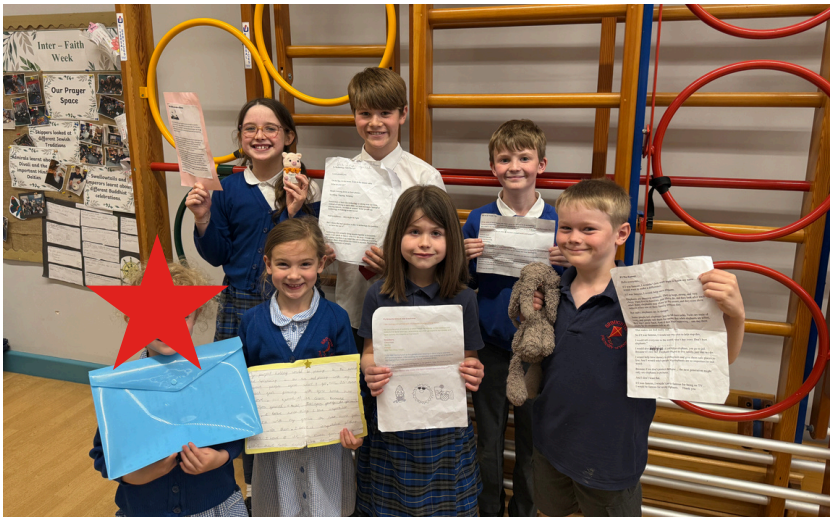

Our Year 5 and 6 football team participated in the re-run of the football tournament at Danebury school. We are very proud of how the boys showed fantastic teamwork and sportsmanship - they represent our school fantastically. Throughout the tournament, the boys created some fantastic chances and showed some great passing to involve their teammates! They achieved a very commendable 3rd place!

Oratory Cup

Earlier in the half term, our finalists went to Lockerley School to perform their speeches to a judge, and in front of all the other schools. They were all amazing representatives of the school, performing their speeches brilliantly and confidently. All of the finalists were incredible and we are proud of all of them. Well done Thea, Maisie, Nina, Arlo, Harry, Molly and William!

Federation Outdoor Learning Days

HALF TERM FUN at The SALISBURY museum

We have plenty to keep families occupied over the break, whatever the weather!

Saturday 23 - Sunday 31 May, 10am–5pm

Half term Takeover!

Every half term our first floor meeting space gets taken over by you! Filled with dressing up, building blocks, activity sheets, a cosy book corner and more, our takeover space will be open to all ages to stay and play during your museum visit.

Discovery Day:
Funny Faces!
Tuesday 26 May
10am - 4pm

Join us for a fun-filled arty discovery day for all the family! Design and make a funny face collage, and explore the art of portraiture in our exciting new Bloomsbury exhibition. Then craft a frame worthy of any gallery wall.

Artist residency
Tuesday 26 - Saturday 30 May
1.30 - 5pm

Meet *Sophie Bartlett*, our resident artist and winner of the 2025 Landscape Open. Watch her create in real time, chat about her work and artistic techniques, and discover what inspires her practice.

Shop

Gifts for every budget - including a bookshop with children's books on fossils, science, evolution, and history of course!

Our galleries!

Step into the shoes of an archaeologist on the *Wessex Gallery* Discovery Trail. Investigate bones in our hands-on lab, identify what you've found, and zoom in with our microscope to see history up close.

Explore our interactive *Natural History Gallery* – get creative at our eco-activity table, discover the science behind climate change, and touch a real fossilised Ichthyosaur vertebra.

Visit the *Salisbury Gallery* to meet the legendary Salisbury Giant and his quirky companion, Hob Nob. Dress up as your favourite local historical character, then hunt for stamps on our trail – can you collect them all?

One for the diary...

Mini Mondays
Sounds of Nature
Monday 08 June, 10 - 11:30am

A musical adventure awaits! Musician *Liv McLennan* will guide you and your little one through a musical landscape celebrating nature and the summer solstice. Ages 2–5.

Refuel at the café!

Treats, lunches, ice cream, children's meals, cakes, drinks and more.

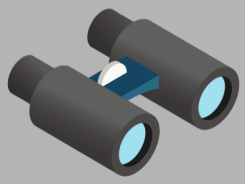

All events included in museum admission. No need to book.

See website for further details
