Broughton Primary School

Newsletter

Dear Parents,

We have had a busy run up to the end of term and there has been much to enjoy with the annual egg rolling competition and Easter egg hunt rounding off the celebrations.

I hope that everyone enjoys their Easter holidays and find time for rest and recovery. As we come back to the Summer term we look forward to blue skies and all the joy of the many activities that we have planned.

Please keep an eye on the website calendar and the newsletters and messages that come via e-mail and text.

Your child's Spring term round up, topic web and class letter detailing everything that they will be covering next term are attached to this e-mail. Please take the time to read them through.

Wishing you all a lovely Easter break.

Kind regards,

Lucy Macey

World Book Day

March saw another amazing World Book Day at Broughton, celebrating everything we love about reading! From dressing up as our favourite characters to creating incredible story spoons, the day was filled with imagination, laughter and plenty of book-based fun.

Thank you to all the parents and carers who helped create magical costumes and make their children's chosen characters come to life!

Cluster Netball

The children of Broughton Primary School truly excelled themselves at the recent cluster netball tournament, delivering an outstanding performance.

The team enjoyed an impressive winning streak, showing great skill, teamwork, and determination on court. One of the highlights was a well-fought draw against Stockbridge, while their match against Wallop proved to be an incredibly close contest, ending in a narrow 2–1 defeat.

At the end of the tournament, Broughton finished in joint second place alongside Stockbridge. Silver medals were decided on goal difference, with Stockbridge just edging ahead.

Beyond the results, what stood out most was the team's sportsmanship and spirit. It was wonderful to see the Broughton players shaking hands, cheering for other teams, and supporting one another enthusiastically from the sidelines.

Well done, Broughton - we are incredibly proud of you all!

Sensory Garden and Wildlife Garden

We would like to give a huge thank you to the parents of our school for the kind donations.

Another huge thank you to The Men's Shed, who have made some incredible upcycled items from pallets for our sensory garden including a raised bed, a ladder planter, trellis and sign to help us achieve our vision. Also, we would like to thank Courten's Garden centre in Salisbury for donating a wonderful array of herbs, perennials and wildflower, to add to our sensory garden and wildlife garden to improve the biodiversity of our site. None of this would have been possible without the kindness of our local community, so thank you!
