Broughton Primary School

Newsletter

Dear Parents,

We have had a mixture of weather so far this term: from torrential rain to glorious sunny Autumnal days. We certainly know that the seasons are changing though when the conkers arrive, bringing great excitement with them.

The term has got off to a flying start and we have been so pleased with the transition back to school. The children have returned full of renewed enthusiasm for time in the classroom and in the playground with friends too.

Our new Squirrels class have settled in brilliantly and are thoroughly enjoying their first few weeks in school - well done to all of them!

Fruit Hunt

This year there was plenty of fruit to find in and around Broughton and the children have enjoyed gathering it and making the crumbles with their friends. There is something so very wholesome about this activity and I know that the children will remember this event long after they have left their primary years behind. Thank you to our teachers and volunteers for ensuring that this happened.

Rockbourne Roman Villa - Foxes Class Trip

On Wednesday, Foxes Class had the pleasure of visiting Rockbourne Roman villa in Fordingbridge, as part of their History topic. The children were taken on a tour of the site by volunteer John, who was extremely knowledgeable. We were able to see evidence of underfloor heating, the baths and even a beautiful mosaic believed to be the centre piece of the house. In the museum, there were plenty of artefacts on show that helped us picture what life would have been like on the farm all those years ago. We even got a chance to make our very own Roman mosaics! The day was finished with a surprise - volunteer John transformed into a Roman soldier and shared some of Rome's legacies with us, such as coins and a measurement system.

Harvest Festival - Friday 10th October, 2.00pm, St Mary's Church

We would be delighted if you can join us for this school event, where we will focus on celebrating and recognising the efforts of our farming community.

The school will walk down together and then children can be collected either from the church, at 3.30pm at school, or they can go into late birds.

We will be collecting food donations that will be given to our local food bank.

Jumble Sale - Saturday 11th October, Broughton Village Hall

This is a brilliant fundraiser for our school, and as you will know all monies are helpful to support the children's additional school experiences. I know that the organisers are in need of helpers to sort the jumble and also to sell it. Please let us know if you are able to help and we can put you in touch with Lizzie Lane, who is leading the event.

FOBS Meeting

Our wonderful fundraising team will be meeting to discuss this year's events. We really need financial assistance with school trip transport and also the extras that the children enjoy throughout the year, including the pantomime, Easter egg hunt and much more.

Once the existing FOBs committee has met with me, I know that they will be communicating with the school community to help with organisation of events. If you can get involved, please do as it really benefits each and every child at the school.

Inter-house Cross Country

On Tuesday afternoon all the children of Otters, Foxes and Badgers took part in the annual inter house cross country competition. The children were working towards earning points for their houses. All the teachers were incredibly proud of their resilience and athleticism which ensured some thrilling races, tactical running and many a sprint finish for the line. Well done everyone!

Open Morning - Tuesday 7th October, 9.30am

We are looking forward to showing our lovely school to prospective parents of children who are due to start in Year R in September 2026. If you have any friends who are thinking about schools, please do let them know about this date. They are welcome to turn up and join the tour.

I hope that the sun continues to shine over the weekend and that everyone has a lovely time.

Best wishes,

Lucy Macey

e-consent for Nasal Flu Vaccine

Your child's annual Nasal Flu Vaccination is now due. The vaccine helps protect against flu, which can be a serious or life-threatening illness. The vaccine will help your child to build up immunity which means your child will be better able to fight off flu.

Click the link below for the electronic form and information about the vaccine. You will need to input the School Code below to complete the form. Access to the form will close two working days prior to the session.

School Code: SH115867
Session date: Friday 14 November 2025
Year Group: Year R - 6
Link to website: [Annual Nasal Flu Vaccination Programme - Hampshire - Parents: Health for Kids]

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from www.nhs.uk/child-flu.

Broughton U11s Football Team

The Broughton U11s football team is looking for a few more players. The team practices for an hour on a week night, usually Thursday, and then has matches on Saturday mornings. We are a fun team that aims to let everyone have a go, no matter the ability. It's not about the best players having the most time on the pitch. We win as a complete team, not individuals.

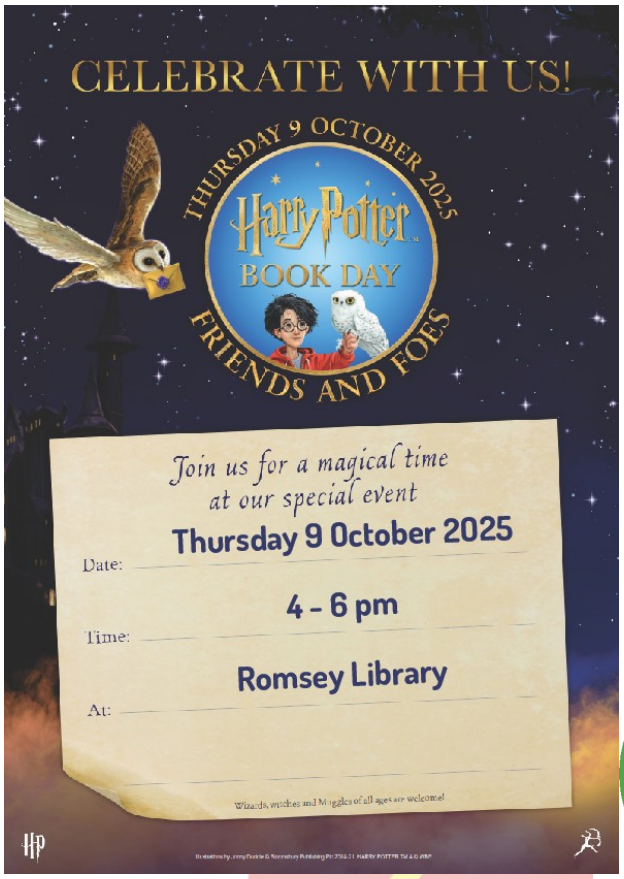

At this age, girls and boys play together and our team is already mixed gender. There is 9 on the pitch and a squad of 12 goes to each match. They do play the offside rule!

We are also looking for an additional coach. If you, as an adult, would like to share in the team success as coach, speak up.

For more information, contact the club secretary Joe Facchini or one of the current coaches, Michael Fasosin.

Be part of the fun!
