

Class: Otter / Yr1 & 2
Spring term / 2024-25

Broughton Bitesize

What your children are learning this term

Computing

We will be learning how to:
- Decompose a game to predict the algorithms.
- Give a definition for 'decomposition'.
- Write clear and precise algorithms.
- Create algorithms to solve problems.

UN article 16: Protection of privacy

PE

We will be focusing on our gymnastic skills and learning why balance is so important.

UN article 24: Health

RE

Within this topic we will be learning what food is special to Christians and Hindus.

UN article 13: Sharing thoughts freely

English

Our first learning journey is called 'Astro-Girl'. We will be using pictures to make predictions and inferences about the story before creating our final outcome of a fact file. We are looking forward to researching facts about space. The next learning journey is an author study of Emily Gravett who is the author of popular stories such as 'Tidy'.

UN article 28: Right to education

Science

The topic for this half term is 'How Do Plants Grow'. We will be learning about different type of plants and comparing how they grow differently. Otters will also have a go at growing their own plants to monitor over the weeks.

UN article 28: Right to education

Maths

Year 1s will continue their education of place value and number work before moving onto a unit about time.

Year 2s are focusing on addition and subtraction with 2-digit numbers and then learning the time to the nearest quarter of the hour.

UN article 28: Right to education

History

In History, we will examine the remarkable contributions of Florence Nightingale and Mary Seacole. This exploration will not only celebrate their legacy but also provide a thought-provoking platform for discussing the theme of fairness. The insights the children will gain from studying these pioneering figures will be invaluable as we reflect on their impact on healthcare and society.

UN article 28: Right to education

Music

In our unit 'Animals', the children will listen to the noises different animals make and then have a go at making these with their mouths or bodies.

UN article 29: Aims of education

Art

Our unit this half term will focus on the artist 'Ella Bailey' and her depictions of animals. We will then make 3D animal faces and heads using a papier-mâché technique of paper laminate.

UN article 29: Aims of education

PSHE (Scarf)

This half term we will be thinking about why we are kind to others and how to deal with bullying.

UN article 3: Best interests of the child.
