# Newsletter

Dear Parents,

I hope that you have all been enjoying this lovely weather over the last couple of weeks.

There is so much on offer for your children to be involved in over the next few weeks, please read on and encourage participation in as many of the opportunities that there are. They are so lucky to have these chances to shine.

## *Reading Allowed Competition - KS2*

This has been advertised in a separate letter that gives all the details of how to prepare and enter this event. Please contact Clare in the office if you would like to receive the information again.

## *Summer Support/Holiday Homework Meeting - Tuesday 15th July, 3.30pm*

We hope that you can meet us at 3.30pm to find out how to use the resources that we have prepared to support your children's learning in the holiday. There will be helpful tips and advice, with things that you may not have considered, about how to encourage your children to engage with these activities. We will also be offering advice on how to support your child's transition back to school at the end of the holidays.

## *Transition into new classes or new teachers for September*

This week our teachers have met with each other to discuss the children who will be moving from their class ion to a new teacher. This information is invaluable in order that there can be a smooth transition and that key information about your child's academic and pastoral needs are communicated effectively. The children will spend time in their new classes on Monday 7th July.

If your child is having additional support with transition, you will receive a letter today, which has details of what this will look like for your child.

Please direct any questions about this process through the school office, and we will ensure that your query is addressed.

***An opportunity to meet your child's new teacher - Wednesday 9th July, 3.30pm***

If your child is going to a new class and a new teacher please come along to school and meet them. This will be a chance to say hello, and find out a little about the plans for the class in the new academic year. We can offer child care for all school age children while you attend.

***Book Fair***

Thank you so much for supporting the book fair, it was wonderful to see so many children choosing books with their parents. We will have the commission from this which will allow us to have some books for our school library.

***Parents Evening***

Thank you for returning your timing requests. They have now been returned to you. Please arrive in plenty of time to attend your meeting, to avoid appointments running late. We would also like to highlight that the time allocated is 10 minutes, and if you feel that there is more discussion needed, a separate appointment can be made as a follow up.

Thank you for all your support and help at this busy time of the year.

Best wishes
