Broughton Primary School

Newsletter

Dear Parents,

Welcome to the second half of the Summer term! We have only been back for 2 weeks but already so much has happened as you will read below.

I hope that everyone had a lovely half term and are now ready for the busy and action packed weeks ahead. Please remember to check the newsletters and the website for information about all that is coming up.

Our New Caretaker

We are delighted that we have been able to appoint a new caretaker to work across the federation. His name is John Hurley and he has started with us this week. It will be brilliant for us to have someone to do our fixing and mending jobs, which will keep the school in tip top condition!

Area Athletics

This week started with the Cluster athletics competition - where 8 children from both KS1 and 2 went to Kings Somborne to take part in a range of track and field events. The children were amazing, and an accompanying adult highlighted the positive behaviour and attitude of our children. The KS1 children achieved a 2nd place with Key stage 2 coming 1st. We are very proud of all of them.

Sports Day

Thank you for supporting the Sports Day which was held Wednesday in our school grounds. The children were confident and keen to participate and showed that they were up for the challenge. It was so impressive to see how they gave their best to each event and pushed themselves to achieve the best results that they were capable of. There was also some wonderful team work and the children supported each other extremely well. It was a fun and happy event, run brilliantly by all the staff. Thank you.

Big Yellow Party for Cystic Fibrosis

We had fun raising money for such a worthwhile cause. The children had fun and it was a really happy, bright and cheery day. Thank you for supporting this.

Reading Allowed

We are delighted that we will be holding the Reading Allowed competition again this year for children in KS2. A separate letter and powerpoint give full details of what this entails, so that you can discuss it with your child. This is a great opportunity for your child to practice their reading skills, as well as performing the reading to a panel of 3 friendly and supportive judges. The development of these skills, will without doubt, help them as they progress through education, and beyond.

Please encourage them to be a Have a go hero and take part.

Book Fair

We are always amazed at the turn out for our book fairs and this year's one will be held from Wednesday 18th June to Monday 23rd June from 3:30pm. Pop into the hall after school each day to have a browse at the collection of brand-new books on offer. Although it will not be open after clubs, we will be open four days to ensure you can hopefully make it on one of the days. A card machine will be available to use for payments. We really appreciate your support with these events - last year we were delighted with all the free books that our school received because of your generous purchases!

I hope that everyone enjoys the sunshine this weekend.

Best wishes
