Broughton Primary School

Newsletter

Dear Parents,

We have had another busy fortnight, with much to look forward to this weekend too, with the Summer Fete on Sunday.

The FOBs team and the school, have been very busy organising the events for the day and there is a great deal of organisation that goes on behind the scenes.

We couldn't run this event without a core group of people who have taken this on for the benefit of the school. Thank you from all the children at Broughton Primary School.

We hope that you all have a great time at the fete and enjoy the time with your families. We are hoping for fine weather to bring out lots of people and dogs. Here's a reminder of what you can look forward to, on the day.

12pm Fete opens

12.15pm School choir

12.30pm Maypole dances

1pm Gun dog demonstration

2.30pm Tug of War

2.50pm Raffle draw

3pm Fete closes

SATs Week

Well done to all our Year 6 pupils who have taken their SATs this week. We have been so impressed by their positive approaches and the way in which they have tried so hard across the week. Great work.

What's Coming Up?

Broughton Village Fete

Sunday 18th May
12pm -3pm

KS2 Maths Parent Workshop

Tuesday 10th June
3.45pm –4.45pm

Sports Day

Wednesday 11th June

The schedule is as follows:

10am: Long jump, distance throws etc- round robin of events

12pm: Picnic lunch

1pm: Afternoon Races

Mrs Pearson Leaving

After 11 years working with the teachers and children, Mrs Pearson has decided to zip up her pencil case, close her text books, and swap the working hours for time spent with family, the garden, her cats and Mr Pearson. Her expertise and support over these years has been absolutely invaluable, and she has quietly and steadfastly helped all the children in years 5 and 6 navigate the last 2 years of their primary school education.

Mrs Pearson will be leaving after the trip to Osmington Bay, which she is bravely attending. I know that she does not want a big goodbye, so we will be aligned to her wishes and say our goodbyes in the way that she would like, with the same genuine regard and respect that she has shown to each and every child who she has taught. We know how lucky we have been. Thank you, Mrs Pearson.

KS2 progression of written methods in maths workshop

10th June 3.30-4.30pm

We would like to invite parents/carers of children in year 2 upwards to a workshop to explore and explain the way we teach written methods for the four operations in maths (addition, subtraction, division and multiplication).

It is an opportunity for us to share with you the strategies and equipment we to teach these skills and to share ideas if you would like to support your child at home. This workshop is for parents/carers so your children are offered a complimentary place in join after school club for the duration of the workshop.

We will be doing an early years/KS1 workshop for parents/carer of children in our younger years in the autumn term.

Events Coming Up

The second half of the Summer term is always packed with activities and events that we invite parents too. It is really helpful if you can note what is coming up, in order that plans can be made for these. All of these dates have been set back in September, so there are very few surprises to contend with, just the capacity to fit everything in!

Sports Day - Wednesday 11th June

A gentle reminder that our sports day will be at the school field this year. The morning will be a round robin of field events, with the afternoon track races. If the weather is fair, we have planned the opportunity for you to picnic with your children on the field.

All children will be encouraged to take part and supported to overcome any wobbly feelings of nervousness. An important step to take, since life is full of challenges and facing them and overcoming these is such a vital skill to develop at this age.

I look forward to seeing you at the fete, have a lovely weekend!

Best wishes
