# Broughton Primary School

**14th February 2025**

Dear Parents,

Half term is now here and although this has been a short term, there has still been plenty going on. I hope that you will enjoy reading the class newsletters which will give a good overview of what has been happening in your child's class over the last few weeks.

**Mechelle and Carmen are Leaving Broughton School**

Today we were very sad to say goodbye to our cooks who are leaving.

Mechelle has been with us for 8 years and has loved working at Broughton. Sadly, the current uncertainty around the catering situation in Hampshire schools, has resulted in her securing a position elsewhere. We know how fortunate we have been to have had Mechelle cooking for us, since she has not only produced meals of great quality, but also has gone above and beyond for our children. Her next placement is exceptionally lucky to have her.

Carmen is leaving both us, and the area- moving to Somerset with her family, due to a job move for Mr Morales. Carmen has been a wonderful asset to the school in her capacity as a cook and also as a brilliant member of the site cleaning team. We will miss her hard working and lovely attitude, her kindness and generosity.

Broughton School will miss both of these lovely ladies greatly, but we know that they will be very successful in their next jobs and we send them off with lots of love and grateful thanks.

Today we enjoyed a thank you tea party, with cake, songs and reflections about what the children have enjoyed most about the meals these ladies have provided. We hope that these happy memories will

**INSET Days**

Please don't forget the 2 INSET days that we have on Friday 14th and Monday 24th February. These days will be spent in school, with training delivered to teachers and LSA's. We look forward to seeing the children back on Tuesday 25th February.

**EYFS/ KS1 Parents information meeting- supporting your child with Maths - 27th February at 3.30pm**

We have a planned meeting on Thursday 27th February at 3.30pm for parents of children currently in Squirrels and Otters class.

How Maths is taught in Early Years and Key Stage 1and supporting your children with their Mathematics learning at home.

The aim of the meeting is to familiarise parents with the different methods which are used to teach children Maths in this age group.

There will also be information about where to find resources to use at home, as well as the opportunity to ask questions.

We hope that this amount of notice and an offer of childcare for school age children will support the number of parents able to attend.

Please email the school office to let us know if you can attend this event.

**Red Nose Day**

As part of next half term's fundraising, the school council have decided to support Red Nose Day. Comic Relief partners with amazing projects and organisations to make a difference to the lives of millions of people across the UK and around the world. On the Friday 21st March, we invite children to come in dressed in red in exchange for £1. During the day, we hope to do some fun activities to raise awareness of the great work that they, as a charity, do.

**World Book Day**

We are all very much looking forward to World Book Day 2025 and are excited to celebrate the day in school. A separate letter has been sent home with further information about the day.

We hope that you and your family have a wonderful half-term holiday and return refreshed and ready for the second half of the Spring term.

With best wishes

**Bag2School - Thursday 27th February 2025**

**Are you have a spring clean?**

Bag2School is a company that specialises in the reuse and recycling of good quality second-hand clothing to fundraise for schools and we have arranged a collection from Broughton Primary School on Thursday 27th February. All the bags will be weighed and the School will be paid for the total weight collected. Remember, the more we collect the greater the benefit to our school.

We are collecting good quality items for RE-USE: Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories. (**No** uniforms, work-wear, pillows, duvets or pieces of fabric please). Please place them in a plastic bag and bring them to school before the end of Wednesday 26th February. If you can label the bag's with your Child's first name and class, the class with the most bags will then have an allocated prize of a nominated non-school uniform day to celebrate!

If you have any questions please speak to the school office.

**FOBS Annual Jumble Sale - Saturday 22nd March 2025**

This is an excellent fundraiser for the school, but we do need parent help to be able to continue run these events.

There are various ways you can help either:

Friday 21st March 3pm - 7pm , we will be setting up in the hall and need hands to unpack Jumble (training will be given to newbies ????) Bring your children they love unpacking the toys and playing hide and seek in the hall! Even if you can just spare an hour that would be great!

Saturday 22nd March 9am - 12pm again we will be setting up and this mainly means unpacking peoples jumble. again if you can just spare and hour that would be so helpful.

Saturday 22nd March 2-4pm, for the actual jumble. We need people to man the various stalls for the sale, the helpers the better, as they say more hands make light work.

Saturday 22nd March 4.30-5.30pm - This is the most needed help!!! An hour at the end when everyone's exhausted! we just need 3 strong fresh faces to help put away the tables and load boxes into cars! We're ALWAYS ALWAYS home by 6pm

If you can't help with the sale we need cakes, cakes, and more cakes to sell with our teas? please drop them at the school on Friday or to the hall on Saturday.

Please let the office know if you able to help in any way.

# Awards

***Linked to articles 28 a right to education and article 29 goals of education***

**The Board of Brilliance**

The following children were recognised for their excellent attitudes:

***Sunshine Spreaders:*** *Albert, Freddie T, Chloe, Lucy, Flora, Kitty and Ariadne*
