Broughton Primary School

23rd October 2024

Dear Parents,

Half-term is now here, and it has been a very full and busy term. I hope that the slightly extended holiday gives you all a chance to re-charge and rest, ready for the second half of the autumn term,

I hope that you will enjoy the half-term round ups for each of the classes. It should give you a taste of what different year groups have been learning and the aim is to be informative and to provide a focus for conversation with your children. Can they tell you more about the photographs? Can they explain why they were doing a particular activity?

If you have any feedback from reading the round up, please do send it through to the school office.

INSET Days
We will be busy on Thursday and Friday with essential training and continuing professional development. The Learning Support team and Early Years teachers are renewing their first aid qualifications, and the rest of the teaching staff are going back to school to think about how to use assessment effectively in the classroom and how to ensure that the questions that we plan and use when teaching develop the children's learning. It is really important that as teachers, we continue to keep the training that we have current and that we maintain the view that reflective teaching is key, to ensuring that we improve and grow in our profession. I am always grateful that I have a team who are so willing to embrace training with enthusiasm and open-mindedness.

Clubs after half-term
We are grateful to our teachers and outside providers for offering the range of extra- curricular clubs for the children. We try to maximise the number of sessions by starting the provision promptly at the start of the school term. Please remind your children which clubs they are attending, and help your children to organise the equipment that they will need. We would also encourage them to keep to the commitment for the length of the half-term- a good practice for developing resilience and sticking power, which will be useful in the future.

Acre Clothes
After half-term, you may wish to give your children tracksuit bottoms and an old top to wear at lunchtimes to play on the acre. We recommend that this comes home regularly for a wash!

Festive Dates for your diary and a FOBS mention
The dates for the second half of the term were set at the start of the year, so please make sure that they are noted in your calendars, We have quite a number of different events over the forthcoming weeks. If you can support the fund-raising events we would be very grateful, the more everyone gets involved, the better for everyone and the more fun we can have.

We would like to thank everyone involved in the spooky disco, who have made sure that everyone has had a spooktacular time and to everyone helping at this weekends jumble sale, one of our biggest fund raisers of the year—a big thank you!

My grateful thanks to all parents and members of the school community for the last half term.

Kind regards

Lucy Macey

Awards
