Broughton Primary School

6th September 2024

Dear Parents,

Welcome back to the new school term! Despite the rather soggy and damp start, the children have made a great start to the school year and it has been lovely to see them all back in school, looking smart and buzzing with news from their holidays. I know that you will understand that following six weeks of holiday, there can be a short period of readjustment as the children get back into routine, and get used to the business of learning and spending time with friends. Please give a little time for your child to get used to their new year group and of course discuss any concerns with the class teacher, who will be able to give you further insight and reassurance into what is happening for your child in class and around school.

Data checking Sheets, Class Letters, Topic webs and Homework

As you know we often need to communicate about the many things that happen at school. We will send out data checking sheets, which ask you to look and see if your contact and emergency contact details have changed. Please amend these and return to school.

Next week we will e-mail you with the details of what your child will be learning at school along with the expectations for completing work at home. If you would like a paper copy of these, please pop into the office.

Diary Dates

We have tried to plan in the yearly events, in order that you know what is happening throughout the year and have plenty of time to make any additional arrangements for childcare etc.

It is our aim that you are kept informed about additional activities, and these dates are also on the website calendar. We will have reminders in newsletters (fortnightly) as well as a text messaging for specific events.

It does help us and your children if you keep a close eye on these and can support your children to organise any equipment that may be needed.

We are really looking forward to another fantastic, action packed, happy year at Broughton Primary School.

Please do not hesitate to contact the school and make an appointment to speak to me with any questions.

Kind regards

Lucy Macey
