Miss Morris is moving on from Broughton Primary School

Dear Parents,

Many of you will know that Miss Morris has been teaching at Broughton Primary School since 2012, when she joined as a newly qualified teacher. From this point she has taught exciting and creative lessons in Year 1 and 2 and latterly 3 and 4. Miss Morris has successfully led Maths across the Federation, as well as ensuring that the P.E. provision has been exceptional, resulting in our award of The Platinum Sports Mark.

It is true to say that Broughton School is very special to Miss Morris, and she has demonstrated this in her care to all students and her willingness to go above and beyond for the pupils at the school. She has also been a great support to me, and I will miss her greatly. However, it is part of our role to grow teachers who will then move on and use their skills elsewhere and possibly work towards leadership themselves. Miss Morris is now about to embrace a new challenge at a school in Andover, which will provide her with opportunities to have great impact on the outcomes for their students.

I know that you will join me in wishing Miss Morris all the very best for her new job in September.

For parents of children in years 2 and 3, we have been able to secure an excellent appointment to teach in Foxes Class, the details of which I will share in a separate letter.

Kind regards

Lucy Macey
