Important Meeting to inform parents about changes to the phonics and reading programmes at Broughton Primary School- Monday 7th February 3.30pm

Dear Parents (Otters and Squirrels Class)

We sent a letter recently, detailing some of the changes that we have made to the way that we teach reading in school and how these may impact on the way that you will be asked to support your children at home. These changes are a result of the most recent guidance given to all schools, about the effective teaching of reading, by OFSTED and are fully supported by Hampshire Education Authority.

Given this, we felt that it would be beneficial to offer training to parents, in order that you feel well placed and confident to continue the development of your children's reading when at home and that you can ensure that the focus on differing skills involved in reading are practised regularly.

I **strongly** encourage someone from your family to attend in order to be able to ask any questions and in order that we can clearly explain the rationale behind the changes. There will be written materials, however these may not be as helpful, without the context of the meeting. We do understand that some parents may not be able to attend.

We will provide childcare for all children of school age.

Please fill in the slip below and return to school by Friday 3rd February 2022

Kind regards

Lucy Macey
