Dear Parents/Carers,

We are delighted to offer Foxes and Badgers class an exciting live Zoom in school with the authors of the popular Dragon Realm series, Katie and Kevin Tsang on Friday 8th October at 9:30am. These brand-new edge-your-seat adventure books are set in an alternate future world under the reign of a dragon and follows heroes trying to save humanity. The Dragon Realm series is perfect for fans of magical fantasy, heartfelt friendships and time travel.

I have seen these books being read and enjoyed by many of the children in school already and believe this interactive opportunity will inspire some new readers and provide an insight into the career of an author. The event will be hosted by a children's bookshop down in St Ives – Stories by the Sea.

As part of the event, Stories by the Sea are offering the children the opportunity to purchase the books at a reduced price. Please find attached further information about the three novels and an order form, should you wish you to purchase any or all of the books. Children can bring their completed order forms into school and books will be delivered to school promptly after the event for us to distribute.

If you have any questions about the event or reading more generally, please do not hesitate to get in touch.

Kind regards,

Miss Ayers
