Broughton's sports news

Spring Term

The Sports Committee welcome At Broughton School we strive to give a lot of opportunities to pupils at representing the school during any major sporting events. This half term we have been a part of many cluster competitions such as: tag rugby, netball and the common wealth dance festival. Students love taking part in sporting opportunities. In Badgers class this term we have been lucky enough to be given the change to go swimming. Farleigh School has been as nice to let us use their swimming pool and enjoy the underwater experience. It was great fun. By Kian and Freya

Joint Netball training sessions

This half term we have really enjoyed playing alongside West Tytherely in some joint netball training sessions. It has been really good to put our skills into practise and learn new things. It has also been good having a different umpire for the matches to help us develop our discipline.

Cluster Netball Competition

On Monday 21st March, we went to Test Valley Secondary school to take part in the cluster netball tournament. Before we went we were very nervous and excited to take part. We had two teams that were federated West Tytherley and Broughton teams. We played our first game against each other. It was tough because we knew what each other was going to do. Team 2 beat Team 1 (blue team). We then went our separate ways and played a lot of tough matches. Both teams won most of their games, but then they came up against Stockbridge, who were amazing! Both teams unfortunately lost against them, but that did not stop us from trying hard. At the end of the matches, the results were announced. Team 1 came in 3rd place and received some amazing bronze medals while Team 2 came in 2nd place with silver medals. We were very proud of ourselves and we really enjoyed taking part in the cluster competition. We can't wait for the next match! Miss Morris was very proud of her amazing netball team and glad that they remembered all of their amazing skills. Written by Emily C and Dylan.

The school has been invited to take part in this Year's Hampshire Games This half term we received some very exciting news! Broughton and West Tytherley primary schools have been invited to attend the Hampshire Games in Winchester this year. Our School Games Organiser (SGO) has picked the two schools to go because of our participation in PE throughout the lockdowns. Holly Shirley (SGO) has 60 schools in her area and was only able to pick 10 schools to go, so we are very lucky! She identified that our schools had always engaged with the school games programme, taken part in competitions virtually, and redesigned our competition programme to meet the motivation, competence and confidence of our students. The event will take place in June and is aimed at enabling children to try out new and exciting sports. Well done!

Commonwealth Dance workshop at Mountbatten We went to Mountbatten School to learn dances from India and Pakistan as part of the Commonwealth project with two other schools. We tried lots of different moves. Some involved kicking, waving and spinning. It was so fun and we can't wait to practise the moves at school and to teach the Year 4s! By Amelie and Lillie

Tag Rugby On Friday we took a group of children from Broughton and West Tytherely to a Tag Rugby tournament at Wallop Primary School. When we arrived we had to line up and get instructions about the match. We were very excited! We played 4 matches against Lockerley, Wherwell, Stockbridge and Wallop. For our first game, we scored 9-1 which we were very pleased about. That really gave us confidence. In the second match it was a bit closer, but we still won. The third match, was a tough match against a brilliant team. Stockbridge won this match. In the final match, Wherwell won. Overall we came third place, which we are very pleased with. We had a great time in the rain and mud. By Phoebe

Fixtures for next half term:

Date	Time	Where	Event
Weekly	Monday pm	BPS	Tennis lessons start for Otters, Foxes and Badgers
