Cross country report

We went to Test Valley school to do the cross country race. We met a few people and first it was the fun run for they Year 3's. They went over to the starting line and they were off! They did a whole lap and Phoebe came first!

Then it was the Year 4 race, they had to do a lap and a half. Otto came first and this race was competitive. Camilla came second in her race.

It was a great competition and everyone had

Great team spirit!

Well done to all the children who took

Well done to all the Year 3/4 children who took part.

Indoor Athletics

When we arrived at Test Valley we were all bubbling with excitement. Our First activity was speed bounce where you jump from one side of a barrier to the other side. It was fun. After a long and tiring first half hour we did the running.

We won the relay and put in good performances in the other races. We were really pleased to come second with seven points. Written by Sebastian and Ashley
