Broughton's sports news

Autumn 1st term

Interhouse Cross Country

The children did an interhouse cross country competition. It was a friendly tournament and everyone did really well. The scores were high but Steele won. The tournament went around the field and the playground. Otters and Squirrels had to do one lap, Foxes had to do two laps and Badgers had to do 3. It was really tough and everyone showed good perseverance! We had great fun. Written by Camilla

Interhouse Hockey

On Tuesday 12th February the children took part in an interhouse Hockey competition. In the morning Otters and Squirrels tested their ball handling skills around a variety of obstacles. It was great fun! In the afternoon the Foxes and Badgers tested their Hockey skills. There were 3 games for each class, Fripp vs Dowse, Dowse vs Steele and Steele vs Fripp. The event was on the playground and 5 children were in each team at a time. There were some close games and some excellent passes.

Basketball Tournament.

On Thursday 14th February, a few children from Badgers class attended a cluster tournament at Test Valley school. There were 6 games which we won most of! We only lost 1 game and had 1 draw. Seven local schools attended and we placed 2nd overall. The games required us to use excellent co-operative skills and they helped us understand the rules and keep the games fair. Overall, it was a brilliant experience and Broughton did the best they could, placing 2nd, which is a very good place to come.

Basketball Taster session

On Wednesday 6th February 4 year six children went to Test Valley to take part in a taster session. Seven other cluster schools took part and everyone was split apart, giving us opportunities to meet and socialise with other people. After being assigned our groups and leaders we starting playing and practising at our stations- each station had a different skill to practice shooting, dribbling and passing. We had 5 minutes on each. After we had had done this we got back together and played some friendly matches. We were given certificates and had a talk from the head of sport. Overall, it was a great experience and lots of fin, with everyone learning new things as well. Written by Sam E

Coaching

On Thursday each week a couple of Badgers have been helping the Squirrels and Otters do their P.E to learn to do big, small, wide and thin shapes. The Squirrels are easy to help because they are great at jumping and tucking. The children are not afraid of asking and we have really enjoyed helping out. Written by Sebastian

Fixtures for next term:

Date	Time	Where	Event
Dec. Date tbc	During school hours	Broughton	Interhouse Tag Rugby at School
29th Jan	4.00pm-5.30pm	TVS	6 aside Girls Indoor Football
