Broughton's sports news

Spring 2nd half term

Badgers and Foxes Netball and Football interhouse We had the choice to either take part in an interhouse football or netball match. Dowse won the interhouse football. It was really fun and I enjoyed it! The netball was very exciting and I played with Steele and they did very well. We can't wait until the next one. Written by Eleanor and Eddie (Foxes)

Cluster Netball Tournament at Test Valley

One Thursday in March the netball team, who had been practising hard, went to Test Valley and had a cluster tournament. Our first game was Stockbridge and we won 2-0 and that got our heads up. Out next game was against Lockerly, which we were worried about! We lost this game but then we decided to fight hard. We went into the final game thinking that we were drawing. The last game against Wallop was really tough and we lost 2-1 which meant that we won 3rd place in the Cluster which we were really proud of!

Everyone practised really hard in the club and it was a really fun event!

Written by Tom C and Millie (Badgers)

Well done Broughton for coming 3rd place!

Pilates taster session

I really enjoyed this lesson. It was calming and relaxing and we learnt lots of new things that we wouldn't normally do. I didn't know my body could do some of it!

Written by Camilla and Zac (Foxes)

Thank you to Clare Bates for giving us a fantastic taster session.

Cluster Football tournament at Wallop

On Thursday, Broughton competed in the annual football tournament at Wallop School. We played against some tough teams, sometimes coming out on top! It was six aside, no subs and barely any breaks. There was very good sportsmanship from all sides. In Miss Lee's hands we came 3rd out of 7 which Broughton are very proud of! Written by Ashley and Sebastian (Badgers)

Well done Broughton for coming 3rd place!

Cricket Taster Session (Chance to shine)

One day a fun cricket man came in and we started off by having an assembly where we learnt all about cricket. We also had a lesson with him and we got to try cricket ourselves. We had a warm up to get ready and then we did some running races. It was great!

Otters and Squirrels interhouse

We did our interhouse in the morning. We had lots of activities but before that we got put into groups. We all got a go at the activities that were around the field. My favourite one was bouncing the ball into a hoop to another person. It was brilliant!
