Broughton's sports news

Autumn 2nd term

Welcome to our first newspaper, we will be writing a newspaper every half term about the sports that we have been doing. The people who will be writing the newspaper will be the Sports Council: Ashley, Charlie, Lucy and Millie. This will be coming out half termly and be written by the sports team! We hope to bring you updates, fixture information and other exciting news.

Cross country report

Cross country is a harsh competition. Anyone who's done it will know! It starts with the fun run, this you don't get points for but it's still intense. In this we got a couple of 1st and 2nd places but sadly they give you satisfaction not points. When it came to the competitive racing we did quite well but sadly we placed 3rd overall.

By Jake P

Indoor Athletics

Well done to Alice, Abigail, Lucy, Millie, Jake P, Sebastian, Aaron and Sam W on coming 3rd!

Some of Badger's class went to Test Valley school to do this competition. We may of won it last year but this year we didn't have so much luck! The activities were Javelin, chest passes, overhead throw and bean bag through. It was very fun but tiring. By Lucy

Catherine Pugh Visit

Catherine Pugh came in to teach us rugby. She came in to tell us about her career and teach the girl's rugby. She came because she was best friends with Miss Lee. She has competed against other countries but she has never beaten France. She first started playing for England when she was 18 and made a lot of friends. We had a great day! By Imogen and Millie.

HITT with Joe Wick

Every day after play time we did a fitness club and watched Joe Wicks doing lots of hard moves. Miss Morris and Miss Lee loved it! It was every day and lasted a week.

It was not all about fitness it was also about team work.

By Charlie

Bronze Ambassador day

The Sports Leaders went to Test Valley and did some sports and other activities. The activities were bat and ball and indoor athletics. We also made a PowerPoint about or aims for the year. We will be sharing our aims soon.

By Ashley.

Netball Club with our new Test Valley Leaders

We have to say a big thank you to our 2 volunteers from Test Valley school who come to help our Team improve in Netball.

They are carrying on after Christmas. By George
