Broughton's sports news

Spring 1

GIRLS INDOOR FOOTBALL CHAMPIONS!! On Tuesday 6th February some people from girl's football went to play a tournament. They took 8 girls and the others stayed behind with Miss Morris. When we got there we played against Wallop. We lost which was a bad start but we came back ready for the second game. The second team were Lockerly. With help from Kitty we won. With an encouraging talk from Miss Lee (She is our coach- a very good one!) we won against West Tytherly. This was our last game so we waited to find out what had happened. Guess what… we came first! We got gold medals and a certificate.

Broughton Interhouse football

On Thursday 8th Feb, the school took part in an interhouse football competition. The year 1/2/3 children played first. We went out and were warmed up by the year 5/6 leaders. We were then split into house groups. We all got a chance to play. Dowse won!

Then the year 4/5/6 children played their tournament. There were some very close games and the scores were tight.

Overall Dowse won, with Fripp coming in second place followed by Steele. Well done to everyone who took part!

Martials Arts Taster

Judith came in from Winchester Martial Arts club to teach us some Martial arts just for 1 hour.

We learnt 'osto', escape from mounted and headlocks.

We really liked how it was all in partner work and we actually got to test it on a person.

It was really fun and we think everyone enjoyed it. Written by Maya and Max

Basketball Taster

Golf Taster

Roger Mace came in from Grately and Monxton Golf Centre and talked to us about how to play Golf.

He showed us the basic moves to play Golf and we got to try it out with fake balls but real clubs.

We had to be really careful and it took a lot of concentration.

Some of the balls went extremely high and almost hit the roof!
