Broughton's sports news

Hampshire School Games

On Thursday 21st June the girls football team went to the Hampshire Games in Aldershot. We qualified for this because we won our cluster tournament. We played plenty of football games there, it was hard but fun. Everyone enjoyed themselves even though we didn't win many games. The other teams were really tough as they had all year 6s and were much taller than all of us. We all had a lot of fun and we all still play football all the time at break. **Written by Kitty and Alice**

Dance Festival

We have really enjoyed the dance festival this year.

We learnt a dance to 'This is me' from the Greatest Showman.

We all learnt our own dances at our own schools and we learnt a dance. We performed both of them.

At the end of the day they gave out certificates and medals.

Cluster Rounders

On the day of the rounders tournament we went to test Valley to compete against seven other cluster schools. We won our all our games except Stockbridge and Lockerly. Overall we came second, it was a very enjoyable time and we hope we can improve yet we are proud of where we have come from.

At the end we were all very tired

Which showed how hard we worked.

Tri Golf

On the 20th June some of Foxes class competed in the cluster Tri Golf tournament. 5 teams all went round different activities to try and get as many points as possible. In the end West Tytherly came 1st and we came 2nd.

Sports Day

We loved sports day! In the morning we took part in different activities linked to different countries.

In the afternoon we had lots of fun races. The class races were really fun.

Area Athletics

On Monday 18th June at King Somborne. All of the athletic team from Broughton. went to the field to complete against the cluster schools. It was a fun and good event. We came 4th out of the 7 schools and Lockerly won it.

Thank you from the Sports Leaders

A huge thanks to everybody for co-operating in the sports events but this letter we are going to thank some people.

A massive thanks to all the parents for transporting all of the children to and from events.

A big thanks to the children for literally being amazing and co-operating. They are always trying their hardest. **Written by Lucy and Charlie**
