Forward planning- for your information

Dear Parents,

You will have heard that your child may be able to return to school on Monday 1st June.

This e-mail is just to give a little information about practical items that you may need to arrange in **advance**. I thought notice might be appreciated if you need to find any items.

To minimise / control risk we need to streamline items being brought to and from school

<u>Uniform</u>

Short sleeves shirts/ polos only please

School jumper/ cardigan, if needed

No ties (Yr 6)

Easily washable skirts/ shorts etc

Simple P.E. kit- shorts, t-shirt and trainers

Thin waterproof coat

Named hat

(Please don't buy unnecessarily- e-mail us if any of these present a problem)

No rucksacks- P.E. kit in drawstring or similar bag (plastic)

Named water bottle

Morning snack (no nuts)

Sun cream applied **before** school . We will not be able to provide sun cream and the children should not bring theirs into school.

Thank you
